

STILL KICKIN' RHYTHM CLOGGERS POLICY SHEET

Rehearsals

1. Rehearsals are held every Thursday evening at times to be determined by the dance director and are mandatory.
2. All members are expected to practice to their fullest potential whether they are attending the next demo or not.
3. If a dancer is not in a particular number for a demo, they should practice in the back of the line.
4. If a dancer cannot attend a rehearsal for any reason, they are to call Cheri at 585-457-4455. If Cheri cannot be reached, try Care at 716-674-6762. (Please call beforehand whenever possible.)

Performances

1. Dancers are to check sign-up book for upcoming performances.
2. Performances must be signed up for one way or the other by the sign-up deadline listed on the bottom of the page. If for some reason you are not in class, this must be done by phone.
3. In order to participate in a demo, a dancer must attend the Monday practice before. If for some reason an emergency arises and a dancer must miss that practice, a dancer must have attended two prior rehearsals. If the attendance requirement is not met, a dancer may dance as a guest (no money from that demo will be put into dancer's account).
4. If a dancer pulls out of a demo after the sign-up deadline he/she will be fined \$5.00 out of their account, which will then be divided among the accounts of the dancers in that demo.
5. A dancer must be dressed and ready for instructions 30 minutes before each demo.
6. Run-throughs will begin 30 minutes before the performance. If a dancer is not there to do run-throughs for formation numbers or a dance that needs review and a sub has been put in, the sub will dance. Latecomers will dance only in numbers that will not compromise the overall preparation of the group. The final decision rests with the dance director or person in charge.
7. All performance outfits must be worn according to the dance director's instructions or a \$1.00 fine (out of pocket) will be collected.
8. The ultimate decision of who dances what belongs to the dance director. This decision will be based on seniority, ability to dance the number, attendance, and the position danced. Everyone will NOT dance everything.
9. In order to dance a combined routine with Kickin' Rhythm, you may be required to attend the Thursday rehearsal before the demo.
10. A dancer may drop in to a demo at any time realizing that they may not be able to participate in all numbers.

New Members

1. New members will be invited by the dance director. The dance director will inform group before the new dancer begins coming to rehearsals.
2. New dancers will perform in demos only after dance director determines they are ready and as space allows. This may mean that a new member dances only one (but at least one) number in a demo.
3. New members should inform dance director when they feel they are ready to dance a number.

Monthly Payments

6. During a demo, you are to stay with the person in charge until the demo is completely over.
7. Smile—look like you are having fun!!!!!!!!!!!!!!

Outfits

Outfits are going to be made or bought together so they are the same so we can keep our appearance neat and clean.

Thursday Night Practice

Everybody is invited to come practice with Kickin' Rhythm on Thursday nights from 7:00 to 9:00 p.m. With school schedules, attendance is not mandatory. The amount of time you put in or how often you attend is up to each individual.

These practices are run under the direction of Cheri. Practices are very structured and geared toward the Kickin' Rhythm team level. This night is set up strictly for Kickin' Rhythm to work on their routines and is not as social as Monday night. So children should have adult supervision at all times as Kim and Elaine are there to practice themselves and cannot have the responsibility of working with the kids at that time.

Any invitation to dance with Kickin' Rhythm comes from Cheri at her discretion. We have no input on that.
