

The Kickin' Kronicle

January 2006 Edition

Cheri's Corner

Congratulations are in order! Many white badge students who started clogging lessons in the fall have worked very hard and are starting to move up to yellow badge. For this reason, we will be adding new white badge students to classes beginning Monday, January 16th at 6:30 pm. **If you know anyone who might be interested in clogging, please bring them on Monday, 1/16 at 6:30 or have them give me a call at (585) 457-4455.** Also, here's a reminder for those now in the yellow badge class. Your class time is 7:10-7:50. However, I encourage you to come early enough to participate in the white badge class as well. Review is always good. Keep clogging!

Here's the class schedule once again.

White	6:30-7:10
Yellow	7:10-7:50
Green	7:50-8:30
Blue/Orange	8:30-9:15
Black	6:30-9:15

STEP "School"

Whiplash DS Slide Step Drag Step Slide Step Triple
(Repeat on opposite foot.)

This is the whiplash step used in the routine, "You're a Grand Old Flag". We will be using this routine this season in the performances when the class people dance with the demo team. If you are having trouble with this step, please see another dancer for help and practice it at home. Good luck!

Workout Wear & Costume Care

Order your shirts by Thursday, Jan 12th for the sparkling costume shirt that we need for demos.

Did You Know?

What makes 100%? From a strictly mathematical viewpoint it goes like this:

If:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26.

Then:

H-A-R-D-W-O-R-K

$8+1+18+4+23+15+18+11 = 98\%$

and

K-N-O-W-L-E-D-G-E

$11+14+15+23+ 12+5+4+7+5 = 96\%$

But,

A-T-T-I-T-U-D-E

$1+20+20+9+20+21+4+5 = 100\%$

So, one can conclude with mathematical certainty that while Hard Work and Knowledge will get you close, it's Attitude that will get you there.
